Dear Mr. Musgrave:

This is a final response to your February 6, 2013, Freedom of Information Act (FOIA) request, which was transferred from the Naval Sea Systems Command to us on July 3, 2013. You requested copies of "contracts, requests for proposal and invoices for UAV/drone equipment".

In our search for documents responsive to your FOIA request, we were only able to locate two contracts (Contracts N00178-06-C-3034 and N00178-04-M-3762). Enclosed is a releasable copy of contract N00178-06-C-3034, request for proposal and invoices. Also enclosed is a releasable copy of contract N00178-04-M-3762, including the modifications. Invoices do not exist for contract N00178-04-M-3762 since this contract was terminated under a no cost settlement agreement (see modification P00003).

We did deny access to personal name and email addresses. This information is exempt from release under FOIA Exemption 6, 5 U.S.C. 552(b)(6), because the individuals' right to privacy outweighs the general public's interest in seeing personally identifying information.

If you consider this response to be a denial, you have the right to pursue formal denial procedures, if you so choose. If you are dissatisfied with this course of action, please promptly contact me at (540)653-7578
